**A More Excellent Way African-American Drive-thru Community Baby Shower  
Vendor/Health Booth Applications**

Dear Service Provider or Vendor,

A More Excellent Way Health Organization is conducting a community baby shower for all the expectant parents in Solano County on Saturday, August 29, 2020 from 10:00 am to 12:00 pm (Zoom Meeting) and 12-2 pm Shower Drive-Thru at The Pittsburg Health Center, 2311 Loveridge Road in Pittsburg. We aspire to improve the birth outcomes of African-American women of Solano County by providing critical health and parenting information; also, linking them to prenatal services and other forms of support. In our county, African-American babies die at twice the rate of other babies before they reach their first birthday and are more likely to suffer from asthma and other illnesses. African-American women are three times as likely to die from labor and delivery complications. During the pandemic this vulnerable population is more at risk for isolation and poor birth outcomes. We are hoping to nurture, support and inform these couples in an attempt to improve their pregnancy outcomes. Your services would be useful in helping to accomplish this goal. If you are interested in having a health or vendor booth at this event or donating gifts or prizes, please complete this application and fax, email or mail it to:

A More Excellent Way Health Improvement Organization (Tax ID# 14-2011697)
