IMPORTANT INFORMATION ABOUT THIS STATEMENT

Our Communications with You. You agree that we, any of our affiliates, agents, independent contractors or service providers may monitor and record telephone calls regarding your banking services to assure the quality of our service or for other reasons. You expressly consent that we, any of our affiliates, agents, independent contractors or service providers may use written, electronic, or verbal means, or any other medium, as permitted by law and including, but not limited to, mail and facsimile, to contact you. Your consent includes, but is not limited to, contact by manual calling methods, prerecorded or artificial voice messages, text messages, e-mails and/or automatic telephone dialing systems. You agree that we, any of our affiliates, agents, independent contractors or service providers may contact you by using any e-mail or any telephone number you provide, including a telephone number for a cellular phone or other wireless device and any telephone number you provide with your payment, regardless of whether you incur any charges as a result.

Payments. You must pay at least the 'Minimum Payment Due' by the 'Payment Due Date'. Charges, payments and credits received after the 'Statement Closing Date' will be included in your next statement. The symbol '-' following the 'New Balance' amount indicates a credit balance--do not pay this amount. Payments must be mailed to our BankCard Center address shown on the front of your statement, and must reach our BankCard Center during our regular business day by 5:00p.m. Pacific Time, for the payment to be credited on the same business day. Payments made in person at one of our branches, or made by telephone, or made electronically through our website or another website controlled by a third party on our behalf must be received by 5:00p.m. Pacific Time to be credited the same business day. *Payments received after the cutoff time of 5:00p.m. Pacific Time are credited as of the following business day.* If you fail to properly make payments, crediting such payments may be delayed and you may incur late charges and additional interest as a result of the delay. Even when your payment is credited to your account, we may delay the availability of part or all of your payment amount as credit for up to 15 days. Our acceptance of any payment marked with a restrictive legend will not operate as an accord and satisfaction without our prior express written approval.

Notice About Electronic Check Conversion. When you pay by check, you authorize us to 1) use information from your check to make a one-time electronic fund transfer from your account, or 2) process the payment as a check transaction. If we utilize option 1, funds may be withdrawn from your account as soon as the same day we receive your payment and you will not receive your check back from your financial institution. Call the customer service number on the front of this statement if you have questions about electronic check conversion.

Figuring the INTEREST CHARGE (Average Daily Balance including New Purchases). We figure the Periodic INTEREST CHARGE for each Balance Category by multiplying these Average Daily Balance for each Balance Category by the applicable Daily Periodic Rate(s) (shown on the front of this statement), and then we multiply the result by the number of days in the billing period, we add all the INTEREST CHARGE amounts for each Balance Category to give us the total Periodic INTEREST CHARGE. To obtain the daily balance for each Balance Category, we take the beginning balance each day and add new transactions applicable to each category, and subtract any payments, credits, and refunds applied to the category. To figure your Average Daily Balance for each Balance Category, we add all your daily balances and divide by the number of days in the billing period. There may be minor variations due to rounding.

Paying Interest. You may avoid paying an INTEREST CHARGE on Purchases and Special Purchases if you pay the entire 'New Balance' by the 'Payment Due Date'. If we do not receive the entire 'New Balance' by the 'Payment Due Date', INTEREST CHARGES will be charged on Purchases and Special Purchases from the date of the transaction. INTEREST CHARGES on Cash Advances and Balance Transfers begin on the transaction date and will be assessed even if your entire 'New Balance' is paid by the 'Payment Due Date'.

Important Information - Annual Membership Fee Renewal Notice. Note the following important information in connection with the renewal of your credit card account each year. The Annual Membership Fee scheduled to be billed to your account(s) on your next statement is shown on the front of your statement. If the Annual Membership Fee is scheduled to be billed on your next statement, you may avoid paying the fee by notifying us in writing to close your account. Your notice must reach us no later than 30 days after the 'Statement Closing Date' shown on the front of this statement. If we have received timely notice from you and the Annual Membership Fee has been billed to your account, we will then credit your account for the Annual Membership Fee. Upon receipt of your notice, your credit availability will be terminated.
