Here is the email Ray sent regarding his unused funds. Let's include it for tomorrow's Programs Committee Meeting. -LT

Hi Lamar,

Hope this email finds you well.

I'm following up with my DPAC 2021 funding. Due to ongoing gathering restrictions caused by the Covid pandemic, Healthy Hearts Institute did not expend all of the DPAC funding we received. We currently have a \$4,907 balance that was itemized for classes and a large community gathering event.

Healthy Hearts would like to use the remaining balance to purchase a used shipping container for tool storage.

Please advise if this is possible?
